1 BIRTHDAY PARTIES

Welcome to Our Woodland Birthday Parties!

Looking for a unique, relaxed, and memorable way to celebrate your child's special day? Our woodland birthday parties are the perfect way for kids to immerse themselves in nature, explore, and enjoy plenty of outdoor fun. With a focus on free play and child-led activities, our parties provide the space for children to discover, imagine, and get wonderfully muddy!

Whether you're celebrating with under 5s or older children, each party is tailored to their age group, with plenty of engaging activities and a dedicated team member on hand to inspire and guide. From bug hunting and den building to exploring streams and creating campfire memories, every party is a new adventure.

Our Hinton site offers the perfect woodland setting, and we run parties in all weather except for high winds and storms, so there's always something fun to do in nature. Just remember to bring waterproofs, wellies, and spare clothes—mud is part of the fun!

We can't wait to help make your child's birthday one they'll never forget.

A close-up photograph of a tree trunk covered in moss, with a blurred green forest background. The tree trunk is on the right side of the frame, showing a rough, textured bark. A thick layer of bright green moss covers the lower part of the trunk and the roots. The background is a soft, out-of-focus green, suggesting a dense forest. The text is overlaid on the left side of the image.

3 OVER 5S PARTIES

What to Bring to Your Woodland Party

To make sure everyone has the best time at your woodland party, please remember to bring:

- A full set of waterproofs and wellies (mud is part of the fun!)
- Long trousers and long sleeves are essential all year round to help protect against cuts, grazes, bites, and ticks.
- A spare set of clothes for each guest – it's very likely they'll get muddy!

Your party will last 2 hours (unless you've booked an extra hour). If you're planning to bring food or cake for the campfire, just let us know in advance so we can make sure there's time for it.

We run parties in all weathers, except for high winds or thunder and lightning. If we need to cancel due to unsafe weather, we'll reschedule your party at no extra cost.
